

Excel Wall Mounted Enclosures

The Excel series of 19" wall mount enclosures are available in a choice of 390mm or 500mm depths. They are designed for the installation of both cabling and equipment and are ideal for use across a range of applications including local area networking (LAN) cabling and hardware, and the housing of security, audio and visual equipment.

The Excel range of wall boxes are feature packed.

- Aesthetically pleasing design with framed glass front door

- Lockable, quick release side panels, for maximum access into cabinet

- Cable entry cut out in top and base
- Angled vented roof
- Adjustable 19" mounting profiles
